Software	PHPStorm, Adobe PhotoShop

Hobbies

Interesting how mind works and psychology.

Expanding my horizons.

Supporting servers: production server - hosting for clients, development server.

Reading resources like Habr.com, Medium.com, Ain.ua for stay in trends.

Improving my English.

Experience

Etnosoft Ltd., Ivano-Frankivsk, Ukraine

2/2019 – 1/2020

Full stack web developer

Activity

- Creating PHP (Symfony) projects
Got 1 project – App for search in documents using search engine Apache Solr, frontend Vue.js, backend Symfony.
Possibilities:
 - Search by all word forms and synonyms;
 - Search in document multiple languages;
 - Search by 2 queries in 1 document;
 - Editor with moderation for word forms, synonyms sets, translations;
 - Moderation of documents changings.
- Support PHP (Symfony / WordPress / Yii 1) projects:
 - Fixing bugs;
 - Google PageSpeed optimization;
 - Add new functionality (Like a google maps markers with custom logic, possibility to add images to comment, layout changes and etc.).

Freelance

6/2016 – Present

Full stack web developer

Activity

- Creating web sites on WordPress / Symfony / PrestaShop;
- Supporting web sites on WordPress / Symfony / PrestaShop / Drupal /Yii1;
- Hosting clients;
- Providing advertising services in Facebook and Google Adwords;
- Data scraping.

Education

Ivano-Frankivsk National Technical University of Oil and Gas

2014 – 2018

Computer engineering, bachelor's degree

I passed pre-diploma practice in company SoftJourn, developing web-application for checking link accessibility (Rest API + Client) by Laravel and Angular. As a result got an excellent rating.

Theme of graduate work "Development of a virtual web-oriented environment for laboratory works on discipline «Computer systems of artificial intelligence»", developed on model Rest API + Client (Laravel and Angular + Electron). Graduate work appreciated 96/100.

This work was published in International scientific journal "Internauka" № 12 (52)/2018 (page 60) ([publication link](#)).

Physical and Technical Lyceum of IFNTUOG

2011 – 2014

Languages

- English – elementary (A2);
- Russian – fluent;
- Ukrainian – native.
